PROFESSIONAL EXPERIENCE

Lead UX/UI Designer — Visual Design Lead

Jun 2021 – Present

Dalvkot Utility Enterprises Pvt. Ltd. • Bangalore

- Architected a company-wide visual Design System (50+ components) in Figma, standardising typography, colour, and iconography across 4 products and reducing redundant design work by 60%.
- Produced high-fidelity UI graphics, iconography, and annotated visual specs that cut design-to-development handoff friction by 40%.
- Designed WCAG 2.1 AA-compliant visual interfaces for a utility dashboard serving 200,000+ users, balancing accessibility with strong visual hierarchy.
- Mentored 3 junior designers on visual fundamentals, layout, and typography through structured critiques and pair-design sessions.

UX/UI Designer

Mar 2020 – Jun 2021

Bdiapers Pvt. Ltd. • Bangalore

- Designed visual assets and layouts for a mobile-first e-commerce platform and a B2B insurance product.
- Redesigned checkout flow visuals, contributing to a 22% reduction in drop-off and an 18% increase in completion through iterative testing.
- Built and maintained a shared Figma graphic component library for a 4-person team, cutting production time by 35%.

Web Designer

Apr 2018 – Mar 2020

Spi Global Pvt. Ltd. • Chennai

- Designed performance-oriented visual UIs and graphics for 12+ enterprise clients across publishing, legal, and pharmaceutical sectors.
- Applied working knowledge of HTML/CSS and design-driven asset optimization to reduce page load time by 30%.

UI/UX Designer

Oct 2015 – Apr 2018

Studio High Pvt. Ltd. • Mumbai

- Multitasked effectively in a fast-paced environment, delivering 20+ mobile app and web visual design projects under tight deadlines.
- Produced detailed handoff specs and graphic assets that reduced implementation errors by an estimated 25%.

Mukesh Technologies · Chennai

- Designed digital and print graphics — web UIs, banners, brochures, and posters — for clients in healthcare, finance, and education.
- Built visual identity systems (brand guidelines, typography, colour systems) for 5 SME clients.
