TOOLS & TECHNOLOGIES

Figma, Adobe XD, Adobe Photoshop, Adobe Illustrator, CorelDRAW, Balsamiq, Jira, Miro, Power BI, Tableau, Draw.io, HTML, CSS, JavaScript, WordPress

AI-Assisted Tools

Research & Productivity: ChatGPT, Claude AI, Gemini, NotebookLM

Design & Prototyping: Figma AI, Freepik AI

AI Development & Experimentation: Google AI Studio

EXPERIENCES

UI/UX Designer

Dalvkot Utility Enterprises Pvt. Ltd. | Feb, 2025 - Present

Designing intuitive and human-centered digital experiences for Dalvkot's healthcare technology products, including HIMS/EMR, diagnostics, and patient-facing applications.

Key Responsibilities & Contributions

- Translate complex healthcare workflows into clean, accessible, and user-friendly interfaces.
- Conduct user research, requirement analysis, and workflow mapping with doctors, nurses, and operational teams.
- Designed end-to-end workflows, wireframes, and high-fidelity interfaces for healthcare modules including HIMS/EMR, diagnostics, and patient management systems.
- Build and maintain scalable design systems to ensure visual consistency across modules.
- Design data dashboards and analytics screens to support clinical and administrative decision-making.
- Partnered with product, engineering, and QA teams to streamline design-to-development handoff and reduce implementation inconsistencies.
- Conduct usability testing and iterate based on user feedback to enhance product clarity and efficiency.
- Support responsive design for web and mobile platforms, ensuring accessibility and ease of use.

Senior Graphic Designer → Senior Visual Designer

Analyttica Datalab Pvt. Ltd. | July 2020 - Jan 2025

- Led the design of the Content Builder project, achieving a **75%** improvement in content writers' efficiency by streamlining workflows and enhancing usability.
- Designed interactive dashboards, user interfaces, and prototypes for data literacy platforms like LEAPS, focusing on low-code/no-code solutions and tailored user journeys.
- Developed over **250+** marketing materials, emailers, and digital campaigns per quarter in collaboration with the marketing team, contributing to a **20%** increase in engagement rates.
- Led UX initiatives, including wireframes and visual mockups, ensuring a seamless user experience across projects.
- Integrated modern design principles and tools such as Adobe XD into the design workflow.

Senior Graphic Designer

AxisRooms Travel Distributions Solutions Pvt. Ltd. | February 2015 - March 2020

- Designed and deployed **20+** websites tailored to client requirements, achieving a **25%** improvement in client satisfaction through responsive and visually engaging designs.
- Delivered **30+** Marketing and visual design projects, enhancing brand consistency and increasing brand recognition by **20%**.
- Collaborated with cross-functional teams to optimize website performance, increasing user retention by **15%** and boosting overall web traffic.
- Maintained a **95%** on-time project delivery rate, ensuring timely completion of client projects without compromising quality.

EDUCATION

- Diploma in Graphic Designing from Immagini Graphic Design Institute
- **B.COM** in VSS Institute
